Employment law advice and personnel support

FLEXIBLE - AFFORDABLE - ROBUST

what is alpha?

Alpha is an innovative employment and personnel support package from a nationally regarded law firm that doesn't sit on the fence.

It is a truly flexible service which can be tailor made to suit your business, whatever its shape, size or budget. Our team of experienced lawyers focus on pragmatic, robust advice at a price that won't break the bank. In fact, we guarantee to price match any comparable product.

Yet none of this is at the expense of a quality service and this is underpinned by our belief in the value of face to face contact. Whatever service you choose, we always take the time to meet you and your managers so that we understand how you work and what makes your business tick.

And whenever you might need it, you can also benefit from the expertise and support of our specialist commercial corporate lawyers as well as our other joint venture partners.

So why not see if alpha can help you revolutionise your workplace?

No hidden costs or
long term tie ins

why is alpha different?

From speaking to our new and prospective alpha members, we know that there is widespread dissatisfaction with many personnel support providers. The patchy, arms length, telephone backed service manned by 'HR consultants' rather than qualified lawyers regularly fails to deliver. The advice is often tailored to meet insurance company requirements and, to add insult to injury, many tie you in for a 3 to 5 year period.

Alpha is different. It is a completely flexible product that can be whatever you want it to be.

- Choose from 2 different services or 'mix and match' to suit the individual needs of your business;
- Prices and products to suit all budgets and we guarantee to price match any comparable product;
- Robust, no nonsense advice from our team of qualified lawyers;
- On site visits to deal with HR issues;
- Access to top quality barrister representation at Tribunals;
- No hidden costs;
- Enjoy discounted support of the lawyers in Martin Kaye's Commercial Department with corporate, intellectual property, dispute resolution, debt collection and commercial property expertise;
- Discounted legal services for all of your staff;
- Access to any of our tried and tested joint venture partners including health and safety;
- Optional bespoke legal expenses insurance to protect you from cost of defending a Tribunal claim.
